On September 24th, 2010 Greg was hospitalized with an unexpected blood clot to the right arm. After a 17 day stay at St. E's and 3 days at the Cleveland Clinic, most of the clot was successfully removed and Greg is finally home to recover. Throughout his hospitalization Greg endured 3 days in the ICU, 2 surgeries, extensive testing, expensive treatments, and numerous diagnostic procedures. Greg encountered many set backs while hospitalized and is now facing a long recovery with dialysis 3 days a week for at least 4-6 months, an upcoming surgery, and a long rehabilitation. His friends and family are putting on this benefit to help raise money for his rising medical costs. Please come and join us and show your support for Greg and his family.

The event is **FREE ENTRY** with donations accepted at the door, Sammy's has over 40 TV's including 2 - 60" projection screens to watch the big game, a 50/50 raffle, chinese auction, shot specials, food and bar specials, live entertainment after the game, and much much more!

In addition, if you or anyone you know may be interested in volunteering your time or donating items for a raffle or chinese auction (IE, sporting event tickets, restaurant or various store gift cards, etc.) please let us know ASAP!
